

Appendix 1

A photograph of a room, likely a bathroom, featuring a large window with a dark frame. The room is dimly lit, with a blue object, possibly a piece of furniture or a bag, visible in the lower right corner. A small, dark, circular object is mounted on the wall to the right of the window. The overall atmosphere is quiet and somewhat somber.

floor of scream room

The image shows a wall with a grid of dark lines, possibly a window or a partition wall. The lines are dark and form a grid pattern. The wall itself is a light, neutral color. On the right side of the image, there is a white rectangular label with the text "aluminium reinforced walls" written in black, lowercase letters.

aluminium reinforced walls

A photograph showing a safety light fixture in a dark, enclosed space. The light fixture is a long, rectangular, white object mounted on a dark surface. It is illuminated from below, casting a bright, rectangular beam of light upwards and slightly to the right. The surrounding environment is dark, with some faint reflections on the surfaces.

safety light to prevent electrocution
