

YOUNG ADULTS WITH ASD

Participate in a relationship skills study

*Earn
\$125*

Who

Individuals with ASD, ages 18-28 years old.

What

EARN a \$125 gift card by participating in a pilot study testing the usefulness of a video-based relationship skill-building tool for young adults with ASD.

When

Enroll now! Participate in early February. Spend just three hours of your time flexible for your schedule.

Where

Anywhere! All participation is online.

If you would like to participate, fill out this [survey](#). For more information, contact: rachel.firpo@dfusioninc.com
