

Nervous at Traffic Stops?

The [Oklahoma Autism Center Foundation](#) is partnering with [OCCC's Police Department](#) and [AutismOklahoma.org's Piece of Mind](#) program to offer simulated traffic stops for drivers with autism and other disabilities. Drivers with a learner's permit or state-issued driver's license will practice being pulled over by OCCC campus police in a safe and controlled environment.

WHEN:

Saturday, October 24th
6:00- 8:00 pm

WHERE:

Oklahoma City Community College
Campus Police Department
7777 South May Avenue
Oklahoma City, OK 73159

WHY:

To reduce anxiety and prepare drivers for a real-life traffic stop by a police office, and provide local law enforcement agencies with the opportunity to establish relationships and positively interact with individuals with disabilities.
