Proud and Supported is a NY State Developmental Disabilities Planning Council (DDPC) - funded project to support LGBTQ+ people with intellectual and developmental disabilities (IDD). Proud and Supported's aims align with the goal of supporting and teaching direct support professionals in a way that supports collaboration, advocacy, and inclusive communities for those people with disabilities who identify as LGBTQ+.

Join us to discuss how this initiative:

- Helps build the capacity of and connection between current and future Disability LGBTQ advocacy and support groups.
 - Educates and trains support staff, individuals with disabilities, and families about sexuality and being LGBTQ with a disability.
 - Supports inclusive communities and social opportunities for those with disabilities who identify as LGBTQ.
