We're hiring!

8 PEER TO PEER MENTORS

The purpose of the P2P project is to educate, inspire and encourage people to pursue their employment goals!

RESPONSIBILITIES:

Complete an 18 hour peer mentor training and on-going trainings throughout the project;

Request any needed accommodations;

Communicate routinely with the Project Consultants;

Co-facilitate and lead P2P trainings in local communities;

Develop personal employment story to share with peers;

Assure that class attendance sheets and evaluations are completed;

Prepare for trainings and debriefs with co-trainers after each training;

Join the Oregon Self Advocacy Coalition's Employment Committee;

Routinely meet with and support two or more peers through the employment process; and

Participate in P2P evaluation.

APPLICATIONS DUE BY MAY 13th!

QUALIFICATIONS:

You must be a person with disabilities who demonstrates the following, with or without support:

- Works or has worked at a regular job in the community

- Enthusiasm and leadership for employment

- Effective communication skills

- Basic reading/writing skills or has support to review material and keep notes

- Public speaking and an interest in teaching others

- Time management skills

- Follows directions and uses email

- Is available to travel (sometimes overnight)

- Has attended a sheltered workshop, a day program or a segregated classroom

- Has a strong interest in helping others with disabilities get community jobs

HOW TO APPLY:

Click the link below to fill out the application by May 13th, 2016 at 5pm.

The application includes questions about your work experiences and contact info

In the application, be sure to provide two references (one work) including the name, phone number and email

We will conduct interviews and hire peer mentors by the end of May!
